Day licences must be purchased before the event date.

6. CLASSES
A Enduro – Expert Grade
B Enduro – 4-Stroke Clubman
C Enduro – 2-Stroke Clubman
D Enduro – 4-Stroke Sportsman
E Enduro – 2-Stroke Sportsman
F Veteran Expert (Over-40)
G Veteran Clubman (Over-40)
H Trail and Trial
Each class will be run subject to a minimum of 6 entries in class. A lesser number will compete in the next highest class. Please state class on entry form.

7. STARTING ORDER Drivers will be started in groups of similar classified entries. The time differential between the start time of the classes and the starting order is at the organisers' discretion, and this time is taken into account when results are produced. Machines MUST be pushed to start line with DEAD engines and started at the signalled start time.

8. ROUTE Approximately 3 miles per lap. Course consists of tracks and field paths. The course will be marked with tape and arrows. ***Where arrows are in pairs the riders must pass between them. Where course is taped to form a corner or chicane the riders must pass within the tapes. Failure to do so or any course cutting will mean disqualification.***

9. GENERAL The route is used is all on private land and drivers and support crews are asked to ensure that there is no damaged caused. Refuelling is to be carried out only where designated by the club. Drivers will be notified of number and final instructions. This number must be displayed black on yellow number plate on front and rear of machines, the onus is on the driver to ensure that their number is recorded by the lap scorers.

10. TYPE OF EVENT An enduro style course in which riders will start at intervals in classes and ride until the advised finishing time when the number of laps completed will decide the event (approx 2½ hours duration) to qualify as a finisher the rider must pass the finishing flag with engine running.

11. NOISE Any competitor whose machine becomes noisy during the event will be stopped until repairs are carried out to the satisfaction of the officials.
